

WtW programs and activities are being conducted as part of the One-Stop delivery system. Furthermore, WtW programs that are part of larger State agencies that are recipients of WIA title I financial assistance must also comply with the provisions of 29 CFR part 37. For purposes of this paragraph, the term “recipient” has the same meaning as the term is defined in 29 CFR part 37. That part also contains participant rights related to non-discrimination.

(j) *Nepotism.* (1) No individual may be placed in a WtW employment activity if a member of that person’s immediate family is engaged in an administrative capacity for the employing agency.

(2) To the extent that an applicable State or local legal requirement regarding nepotism is more restrictive than this provision, such State or local requirement shall be followed.

**§ 645.233 What are the time limitations on the expenditure of Welfare-to-Work grant funds?**

(a) *Formula grant funds:* The maximum time limit for the expenditure of a given fiscal year allotment is three years from the effective date of the Federal grant award to the State. The maximum time limit will be allowed and will be specified in the Department’s formula grant document for each fiscal year of funds provided to the State. Any remaining funds that have not been expended at the end of the expenditure period must be returned to the Department in accordance with the applicable closeout procedures for formula grants.

(b) *Competitive grant funds:* The maximum time limit for the expenditure of these funds is three years from the effective date of award, but will, in all cases, be determined by the grant period and the terms and conditions specified in the Federal grant award agreement (including any applicable grant modification documents). Any remaining funds that have not been expended at the end of the approved grant period must be returned to the Department in accordance with the applicable closeout procedures for competitive grants (section 503(a)(5)(C)(vii)).

**§ 645.235 What types of activities are subject to the administrative cost limit on Welfare-to-Work grants?**

(a) *Administrative cost limitation (section 404(b)(1)).—*(1) *Formula grants to states.* Expenditures for administrative purposes under WtW formula grants to States are limited to fifteen percent (15%) of the grant award.

(2) *Competitive grants.* The limitation on expenditures for administrative purposes under WtW competitive grants will be specified in the grant agreement but in no case shall the limitation be more than fifteen percent (15%) of the grant award.

(3) Although administrative in nature, costs of information technology—computer hardware and software—needed for tracking and monitoring of WtW program, participant, or performance requirements, are excluded from the administrative cost limit calculation.

(b) The costs of administration are that allocable portion of necessary and allowable costs associated with those specific functions identified in paragraph (c) of this section for the administration of the WtW program and which are not related to the direct provision of services to participants. These costs can be both personnel and non-personnel and both direct and indirect.

(c) The costs of administration are the costs associated with performing the following functions:

(1) Performing overall general administrative functions and coordination of those functions under WtW including:

(i) Accounting, budgeting, financial and cash management functions;

(ii) Procurement and purchasing functions;

(iii) Property management functions;

(iv) Personnel management functions;

(v) Payroll functions;

(vi) Coordinating the resolution of findings arising from audits, reviews, investigations and incident reports;

(vii) Audit functions;

(viii) General legal services functions; and

(ix) Developing systems and procedures, including information systems, required for these administrative functions;

## § 645.240

## 20 CFR Ch. V (4–1–08 Edition)

(2) Performing oversight and monitoring responsibilities related to WtW administrative functions,

(3) Costs of goods and services required for administrative functions of the program, including goods and services such as rental or purchase of equipment, utilities, office supplies, postage, and rental and maintenance of office space;

(4) Travel costs incurred for official business in carrying out administrative activities or the overall management of the WtW system; and

(5) Costs of information systems related to administrative functions (for example, personnel, procurement, purchasing, property management, accounting and payroll systems) including the purchase, systems development and operating costs of such systems.

(d)(1) Only that portion of the costs of WtW grantees that are associated with the performance of the administrative functions described in paragraph (c) of this section and awards to subrecipients or vendors that are solely for the performance of these administrative functions are classified as administrative costs. All other costs are considered to be for the direct provision of WtW activities and are classified as program costs.

(2) Personnel and related non-personnel costs of staff who perform both administrative functions specified in paragraph (c) of this section and programmatic services or activities are to be allocated as administrative or program costs to the benefitting cost objectives/categories based on documented distributions of actual time worked or other equitable cost allocation methods.

(3) Specific costs charged to an overhead or indirect cost pool that can be identified directly as a program cost may be charged as a program cost. Documentation of such charges must be maintained.

(4) Except as provided at paragraph (d)(1) of this section, all costs incurred for functions and activities of subrecipients and vendors are program costs.

(5) Costs of the following information systems including the purchase, systems development and operating (e.g.,

data entry) costs are charged to the program category.

(i) Tracking or monitoring of participant and performance information;

(ii) Employment statistics information, including job listing information, job skills information, and demand occupation information; and

(iii) Local area performance information.

### § 645.240 What are the reporting requirements for Welfare-to-Work programs?

(a) *General.* State formula and other direct competitive grant recipients must report financial and participant data in accordance with revised instructions that will be issued by the Department after consultation with the Secretary of Health and Human Services, States, and organizations that represent State or local governments. Reports must be submitted to the Department quarterly. Existing WtW financial reporting instructions and formats are available on the WtW web site at <http://wtw.doleta.gov/linkpages/tegltein.htm>. The Internet reporting system for WtW grantees is accessible at <http://www.etareports.doleta.gov>.

(b) *Subrecipient reporting.* A State formula or other direct competitive grant recipient may impose different forms or formats, shorter due dates, and more frequent reporting requirements on subrecipients. However, the recipient is required to meet the reporting requirements imposed by the Department.

(c) *Financial reports.* Each grant recipient must submit financial reports to the Department. Reported expenditures and program income must be on the accrual basis of accounting and cumulative by fiscal year of appropriation. If the recipient's accounting records are not normally kept on the accrual basis of accounting, the recipient must develop accrual information through an analysis of the documentation on hand.

(d) *Participant reports.* Each grant recipient must submit participant reports to the Department. Participant data must be aggregate data, and, for most data elements, must be cumulative by fiscal year of appropriation.
